From Katie

This is how BINGO works in our home. The 'daily jobs' MUST be done BEFORE the BINGO jobs can be started. The BINGO jobs can be passed off in any order. Each child will earn money for each BINGO (a line of 5 jobs) completed but the 'big' reward (and pay) will happen when you receive a 'black out' on the BINGO chart!

Instructions

Print off a new chart each week so you can change and customize it or print off a copy and laminate it and use a dry erase marker to check off your BINGOS each day!
